

First Semester Schedule

Use this checklist as a guide for your fall semester plan. To finish in four years, plan 15 credits per semester!

- MATH _____ (3-4 CR)
- WRITING _____ (3 CR)
- AI _____ (3 CR)
- LANGUAGE (BA students only) _____ (3-4 CR)
- IE (FF, AS | SF, BF) _____ (3 CR)
- MAJOR CLASS _____ (3 CR)
- WELL BEING CLASS _____ (1 CR)

Things to consider while planning:

- Bachelor of Science students are not required to take language courses, but will take QI courses instead (QI courses do not need to be taken in the first semester).
- Are you interested in taking an Honors course first semester?
- Do you have extra AP/IB/CE credit? If so, you could take 12-13 credits to start.
